PRODUCT INFORMATION

CITRA SOLV HEAVY DUTY DEGREASER & CLEANER

Function: Cleaner	Application: Degreasing	Form: Liquid
-----------------------------	-----------------------------------	------------------------

DESCRIPTION

Magna Citra Solv is a highly concentrated solvent cleaner and degreaser that are widely used in a variety of industries including mining, road paving, automotive, shipyards and oilrigs. It is commonly used to clean heavy-duty equipment, engine parts, blocks and other related components.

FEATURES

- Magna Citra Solv is a highly concentrated solvent degreaser that penetrates into the most stubborn stain. It works great to remove asphalt from equipment.
- Low toxicity will not harm operational personnel or marine life.
- It can be applied by spraying or wiping. If necessary, immerse engine parts into Magna Citra Solv.
- Magna Citra Solv will also leave behind a pleasant citrus fragrance, masking any foul odours.

DIRECTIONS FOR USE

Surface Cleaning: Apply Magna Citra Solv upon greasy surface and allow it to saturate for 10 to 15 minutes. Rinse by hosing off with water.

Dip Tank Cleaning: Soak machinery parts, to be cleaned, in Magna Citra Solv for 30 minutes or until grease has softened. Rinse off softened grease with water.

PACKAGING

- 20L Pail
- 205L Drum
