

PRODUCT INFORMATION

MAGNA 340 PINE CLEANER

Function:
Cleaner

Application:
Sanitizes

Form:
Liquid

DESCRIPTION

M-340 Pine Cleaner is a natural product and does not contain synthetic ingredients such as chlorinated phenols. It is non-toxic, non-irritating and non-corrosive and therefore it will not negatively affect metal, cloth or emulsions. It is a powerful cleaner against disease producing bacteria that causes epidemics. It not only deodorizes but also contains powerful cleaning properties that dissolve grease and grime leaving a clean sanitary surface.

FEATURES

- M-340 is economical as 1 part of cleaner may be diluted with 100 parts of water
- M-340 consists of a double-action feature. It not only cleans but deodorizes in one operation
- It is an effective bacteria killing cleaner
- Excellent in taking heavy salt stains off floor during winter season

APPLICATIONS

Magna 340 is used for general cleaning in hospitals, public places, washrooms, restaurants, pet animal quarters and food processing plants.

DIRECTIONS FOR USE

- Dilute by using 3-4 capfuls of M-340 in a pail of water for floors and walls.
- Put a small amount of M-340 in a spray bottle, fill bottle with water.
- To deodorize, spray into the air.
- To clean wax floors, use cold water.
