PRODUCT INFORMATION

TROPICAL GARDEN AIR FRESHENER & ODOUR ELIMINATOR

Function: Air Freshener	Application: Air Freshener	Form: Liquid
-----------------------------------	--------------------------------------	------------------------

DESCRIPTION

Magna Tropical Garden air freshener and odour eliminator is made from natural derivatives of fruits and flowers. It is an extremely effective air-freshener that freshens and deodorizes stale air caused by the presence of decomposition organic materials, bacteria and tobacco smoke. Its natural gentle scents are compounded from natural flowers and fruits.

Unlike most air fresheners in the market place that commonly contains phenol & propellants, Magna Tropical Garden is **100% phenol free**. It does not contain any propellant which makes Magna Tropical Garden ozone and environmentally friendly.

FEATURES

- Compounded from a variety of flowers and fruits natural scents
- Gentle & pleasant lingering aroma
- Economical & cost effective
- Environmental friendly propellant
- Eliminates odors quickly
- Quick & superior cleaning action
- Environmentally friendly & biodegradable

APPLICATIONS

Magna Tropical Garden Air Freshener & Odour Eliminator provides exceptional performance across multiple applications:

- It eliminates odors in bathrooms; smoking rooms and in areas where there is odour
- It freshens stale air in hotel rooms, conferences rooms, offices, RVs, living rooms, automobile etc.

The details of our products are given completely free of undertaking. Since their application lies outside our control, we cannot accept any liability for the results. User shall determine the suitability of the product for its intended use, and user assumes all risk and liability whatsoever in connection therewith. All rights reserved.

DIRECTIONS FOR USE

Simply spray a few small squirts into the air and the odour will be eliminated immediately as the air freshens.
