

PRODUCT INFORMATION

MAGNA 340 PINE CLEANER

Function:
Cleaner

Application:
Sanitizes

Form:
Liquid

DESCRIPTION

Magna 340 Pine Cleaner is a natural product that does not contain synthetic ingredients such as chlorinated phenols.

Magna 340 is non-toxic, non-irritating, non-corrosive, and will not negatively affect metal, cloth or emulsions.

Magna 340 is a powerful cleaner that guards against disease producing bacterium that causes epidemics.

Magna 340 not only deodorizes but it contains powerful cleaning properties that dissolve grease and grime and sanitizes surfaces.

FEATURES

- Economical: 1 part of cleaner may be diluted with 100 parts of water
- Consists of a double-action feature that cleans and also deodorizes
- An effective bacterium killing cleaner
- Takes heavy salt stains off floors during winter season

APPLICATIONS

Magna 340 is used for general cleaning in hospitals, public places, washrooms, restaurants, pet animal quarters and food processing plants

DIRECTIONS FOR USE

- Dilute 3 - 4 capfuls in a pail of water for floors and walls
- Put a small amount into a spray bottle with water
- To deodorize spray into the air
- To clean wax floors use cold water
