

SAFE ENVIRONMENTAL SOLUTIONS

BIOZYMES 1065 SEPTIC FIZZY TABS

UNLOCK THE MAGIC OF NATURE WITH BIOZYMES 1065 BIO-

Biozymes 1065 is a ready-to-use fizzy tablet that accelerates organic waste degradation in residential septic systems and commercial wastewater facilities.

Biozymes 1065 is selectively adapted spores and vegetative micro-organisms with an exceptional ability to accelerate the breakdown of difficult to degrade organic compounds in aerobic and anaerobic environments. The micro-organisms are blended based on each strain's enzymatic activity against substrates such as fats, oils, grease, protein, starch, and carbohydrates. The combined cultures promote enhanced cell growth, germination rate, and effectiveness over a wide range of organic substrates.

Biozymes 1065 contains micro-nutrients that accelerates the breakdown of organic waste.

BENEFITS

- Reduces frequency of septic tank pumping
- Improves pipe purification and drain seeping
- Reduces methane
- Prevents pipe and drain blockage
- Neutralizes bleach agents and detergents
- Does not attack plastic or metal pipes
- Replaces chemical products
- Biodegrades paper, oils, grease and waste faster

APPLICATIONS

Biozymes 1065 improves the biological degradation rate for:

- Commercial Wastewater Facilities
- Residential Septic System
Lagoons and sewage pits

DIRECTIONS

TANK SIZE	INITIAL DOSAGE	MAINTENANCE**
2 – 3 m ³	2 tablets	1 tablet / month
5 – 10 m ³	3 tablets	2 tablets / month

***Add as regularly as possible. If it is required to miss one day, add that day's dosage with the next dosing.*

PRODUCT CHARACTERISTICS

Description	Blue Tablets (22 gram tablet)
Stability	Up to 24 months
pH 1%	6.0 – 8.5
Enzymes	Cellulase/Lipase/Protease/Amylase
Nutrient Content	Biological nutrients and stimulants
Bacillus Count	5 billion CFU/g

STORAGE AND HANDLING

DO NOT FREEZE! Store in a cool dry place. Do not inhale mists. Avoid excessive skin contact.

SEE SDS FOR FURTHER INFORMATION

AVAILABLE PACKAGING

- 20L Pail

Manufacturing Facility:
1450 Government Road, West
Kirkland Lake, ON
P2N 2E9 CANADA
